

GETTING TO TULLY BOW HUNTERS

Travelling south down the highway go through the main traffic lights at Tully and continue south about another kilometre to the next set of traffic lights. Turn right at the lights to the west over the railway line Dean Rd / Tully Gorge Rd. See Map.

Heading toward the mountains continue for a little more than a kilometre, there is a sweeping bend to the left, this will bring you to the cemetery and the cement works on the right. See Photo. Turn into the road at the cement works, go past their entrance, and follow a track along the wire fence at the cement works, follow it for a couple of hundred metres – welcome to Tully Bow Hunters.

Tully - Google Maps
